

PRATAP UNIVERSITY

Recognised by UGC

4th Convocation 2020

28TH SEPTEMBER 2020

VISION

PRATAP UNIVERSITY is established with an objective of creating social awareness and imparting quality education at all levels from technical to higher or professional education. Pratap University is ready to create new benchmarks in education.

MISSION

Our mission is to develop and evolve skill based systems for effective delivery of knowledge so as to equip young professionals with dedication and commitment to excellence in all spheres of life.

QUALITY POLICY

We at Pratap University are trying to keep in pace with the challenging context of the community and society by providing an education that is open and flexible enough to help the learner function excellently under a global canvas. We ensure that students of PU are dedicated, disciplined and determined towards achieving their goal.

The facilities and the state of art infrastructure providing here will surely enable you all to swim smoothly into the current of knowledge.

**PRATAP
UNIVERSITY**

ABOUT

PRATAP UNIVERSITY

The foundation stone of the group has been laid with the Inspiration of great Rajput warrior Maharana Pratap. His name is engraved with gold among the list of valiant kings who protected the Nation, Dharma, Culture and Freedom of this country by sacrificing his life. He was a great Patriot and warrior who had the courage to fight the Mughal forces under Emperor Akbar. We salute the beliefs of this great ruler and dedicate ourselves to pursue his ideals to the best of our efforts.

Our founder Shri Ram Singh Bhadauria, Taking a concrete step in 2011, PRATAP UNIVERSITY has been established in Jaipur, Rajasthan with a mission to provide quality education to the youth of the world. Pratap University has been providing excellence in education by offering various courses in the diverse streams of Engineering, Management, Pharmacy, Information Technology, Education, Basic Science & Humanities, Library Science & Mass Communication. University campus is spread over 100 hundred acres of lush green surroundings, well furnished hostel facilities, boast of modern infrastructure, well equipped libraries and labs.

University Comprises a team of more than 200 highly qualified faculty members from prestigious institutions like IIT's, IIM's committed to shape the future of its students. Our goal is to make each student both 'CAPABLE and EMPLOYABLE' by giving him umpteen opportunities to showcase his/her talent through Curricular, extracurricular activities and excellent campus placements. Having commenced its academic activities from the session 2011-12, this University is steadily preparing itself to create new benchmarks in the field of academics. The University has been set up with a view to match the global standards and has ultra modern infrastructure and teaching aids to its credit. It is poised to become one of the best private universities of north-Western India.

Message by Chairman

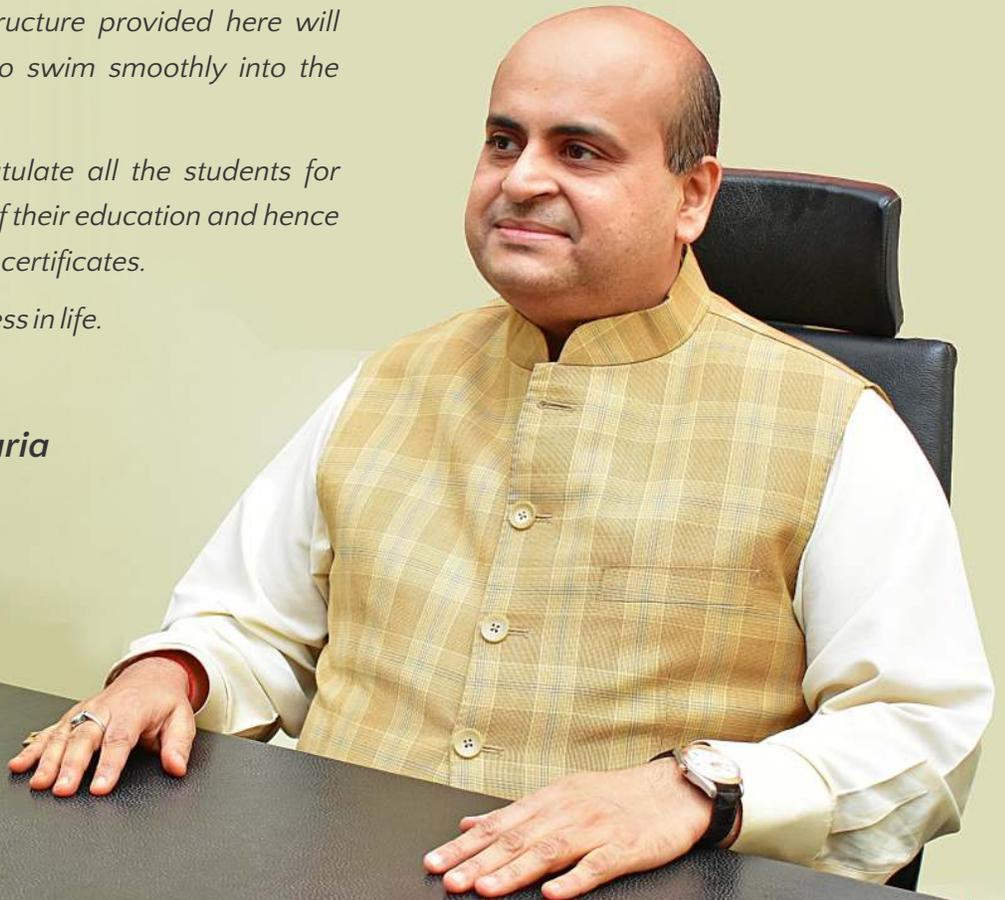

You all come to us from multifarious cultures. Addressing the diversity as well as the various challenges of multicultural society education is a major issue in contemporary times. The education needs to be harmonized and eclectic. We at Pratap University are trying to keep in pace with the challenging context of the community and society by providing an education that is open and flexible enough to help the learner function excellently under a global canvas. The facilities and the state of art infrastructure provided here will surely enable you all to swim smoothly into the ocean of knowledge.

At the outset, I congratulate all the students for successful completion of their education and hence are receiving the degree certificates.

I wish you all great success in life.

Shailendra Bhadauria

Chairman/Chancellor

Message by President

It gives me immense pleasure to welcome you to Pratap University, an institution that swears by the philosophy of building & believing in 'self-worth'. Our efforts are to empower the youth of the nation with multi-disciplinary teaching in classrooms along with substantiating them with the correct corporate support & interface. Our objective is to prepare industry ready professionals by bridging the academia & corporate divide & inculcating the right skills and attitude, thus, bringing in responsibility with a deeply transformative experience.

I can proudly say that all our faculty members continuously seek to upgrade and up skill themselves and act as guide and mentors to the students for promoting holistic growth and all round development of their personality. We always strive to bring out the latent research capabilities of our faculty members & promote research activities at our university.

As the nation embarks on its journey to carving out for itself on the map of the world, a very special and unique niche, we are not left behind & subsequently leave no stone unturned in our endeavors to create and deliver value to our students, the team, the industry, the society & the world around us. We aim at creating leaders with a mind to win, yet a heart to co-exist & empathize.

I, once again, welcome you to Pratap University to be a part of this magnificent journey to learn, express, imbibe and in turn contribute to make the world a better place to live in.

Prof (Dr.) Abhay Kumar

About Chief Guest

SHRI JAGAT PRAKASH NADDA

Mr. Jagat Prakash Nadda is currently the **National President** of Bharatiya Janta Party (BJP) since January 2020. Mr. Nadda was born to Krishna Nadda and Narain Lal Nadda on December 2, 1960. He did his schooling in St. Xavier's, Patna and completed his graduation (B.A.) from Patna College and LL.B. from Himachal Pradesh University.

Mr. Nadda has decade-long experience in politics and held several vital positions in his political career. He was appointed as the working president of BJP (2019-2020). He became the Union Minister of Health and Family Welfare (2014-2019). Mr. Nadda was elected as the member of Rajya Sabha from Himachal Pradesh (2012). Known his excellent managerial skills, he was appointed as a member of BJP Parliamentary Board, the highest decision-making body of the party and also a member of the Central Election Committee that takes the decisive decision for both Lok Sabha and Assembly polls. Mr. Nadda was also elected twice as cabinet minister for the Government of Himanchal Pradesh.

Mr. Nadda played a prominent role in the ruling party's activity in national and state levels. As an Union Minister of Health and Family Welfare, Mr. Nadda implemented various healthcare plans of paramount importance such as Mission Indradhanush (launched in 2014), Pradhan Mantri Dialysis Program (2016) and comprehensive primary care plans. These health care initiatives by Mr. Nadda achieved many milestones, which include mass immunisation (25 million children immunised), free dialysis for the poor (47 lakhs patients benefited) and compressive primary care through health and wellness for a healthier India.

UNIVERSITY REPORT

Now, I present before you a report of co-curricular, extra-curricular and other accomplishments of our university.

Today about 800 students are receiving their degrees.

Presently, the university is having twenty four Schools and Departments offering different courses in diverse streams of Engineering, Management, Pharmacy, Education and many more. In addition to these, the university is also providing dual degree integrated programs in different faculties. The state-of-the-art research facilities and modern amenities like well stocked libraries along with project centers create a conducive environment for the teaching - learning process. The University is committed to bring about a perceptible change in society with its innovative and equitable practices and systems.

It would be apt to mention that Pratap University caters not only to domestic students, but the presence of students from different countries across the globe makes its presence felt on the International horizon.

Our regular niche programs and activities have given strength to the overall learning of students. Besides the syllabus, which is designed by academic and industry experts, the special initiatives include revision classes, make up classes, support classes, extra teaching time, continuous evaluation system, orientation programs, tutor system, brushing up classes, tutorial classes, self-help groups, survey camps, and mentor classes etc. These give Pratap University students an extra edge over others.

We at Pratap University always lay stress on the overall development of the students and provide them the platform to develop their intellect. The same is evident from the activities that we have carried throughout these years. The inception of new aspirants is marked by Freshers Party "Aarabdh", which is a regular event since 2011. We at Pratap University, organise the inter-university mega techno-cultural fest "Sifalari" every year on the birthday of the greatest freedom fighter of India and epitome of courage, Maharana Pratap, from whom our university derives its name. Various competitions like Essay Competition, robotics, poster making, debate, coding competition, technical quiz, photography competition and paper presentation are different events which are part of Sifalari.

As a mark of respect to their teachers, our students celebrate Teachers' day on 5th September every year. We at Pratap University also celebrate Women's day on 8th March; National Youth day, in remembrance of Swami Vivekananda on 12th January and International Yoga Day, every year on 21st June.

During these years various dignitaries have visited our university. Sadhvi Uma Bharti Ji, currently Vice President, BJP had visited and unveiled the statue of Late Mrs. Beena Singh Ji, Vice Chairperson, Maharana Pratap Group of Institutions. She had laid the foundation stone of Institute of Medical Sciences and Research, Pratap University and inaugurated the Centre for Deen Dayal Upadhyay Kaushal Vikas Yojana.

Gen.V.K.Singh, as Chief of Army Staff visited Pratap University, inaugurated the Guru Jambheshwar Boys' Hostel, awarded our meritorious students and guided our faculty, staff and students to develop management skills during his address.

We, at Pratap University, not only focus on academics but also on the all-round development of our students. We emphasize on the academic-industry interface too. In this context, Mr. R.V. Balasubramaniam Iyer, Vice President, Reliance Jio Infocomm Limited had visited our campus and given fruitful tips on how to bridge the academia-industry divide. In fact, Reliance Jio and Pratap University have already entered into a MoU for telecom projects,

UNIVERSITY REPORT

which includes training and hiring of students of the University.

Sri Chetan Bhagat, renowned author and speaker has also visited our university to guide our students. He motivated the student fraternity and guided them as to how to excel in life.

At Pratap University we are committed for quality education. I am proud to say that about 10,000 students have graduated from Pratap University in different streams and are well placed both within the country and abroad. Our distinguished alumni Dr. Nishikant Dubey is a Member of Parliament from Jharkhand. He had done his masters in Management and completed his research work titled "Emerging Issues of Rural Poverty in India: A Macro View", leading to the award of Doctor of Philosophy from Pratap University.

In an effort to bring in better quality in its education and cross cultural exposure, the university has joined hands with top global universities by entering into collaboration with them. Towards this end, the university has signed MOUs with the University of Donja Gorica (UDG), Montenegro, Europe and University of District of Columbia USA, the two international organizations of high repute, for students/ faculty exchange programme, study abroad opportunities, holding joint international conferences/workshops and other activities. Prof. Ivan Jovetic, from UDG, Montenegro, Europe has visited our university and guided our students.

Our journey continues in this pandemic also. We took online classes of all the students and completed the syllabus well on time. In this context, I can proudly put forth, that, we have followed the university academic calendar made in pre covid-19 period for the session 2019-2020. We have studiously followed the aforesaid academic calendar even in the pandemic situation and are one of the first universities in India to have conducted the online exams in the month of May-2020 as per the academic calendar. Even the results have been declared on time so that students desirous of pursuing higher studies or going for a job may be enabled to do so. I must place on record that all the international students studying in our university have been provided results on time so that they could leave for their country.

Finally, to conclude, it is an exciting moment for those who are here to receive their degrees. Graduation is a major academic milestone in an individual's life. It is a formal recognition that you are ready to move a step forward towards acquiring yet more knowledge in the area of your choice. Never in the past have there been so much hope and expectations about the future in India than at present. For the young graduates, the road ahead is long, but the journey promises to be exciting.

Have a constructive attitude and think in terms of solutions, not in terms of problems. Take each challenge not with "why you can't" but "how you can" and do remember that great opportunities come to those who make the most of small ones. I wish you all success in your endeavors.

I quote Dr. Abdul Kalam Ji, former President of India "We are all born with a divine fire in us. Our efforts should be to give wings to the fire and fill the world with the glow of its goodness"

Thank you,

Jai Hind, Jai Maharana Pratap

Prof. (Dr.) Abhay Kumar

Vice-chancellor
